The Orientalia Book Shop
22 East 60th Street
New York City

Gentlemen:

Kindly advise if you would be interested to make an offer for the purchase of six or eight volumes of the Egypt Exploration Fund, such as the one of 1904, *Ehnsasya*, by W. M. Flinders Petrie; and *Oxyrhynchus Papyri, IV*, by Grenfell and Hunt.

Very truly yours,

S.M/E

Secretary
